Q3 • Common Ground & Historical Identity • Elementary Lower

Show & Share: Discovering Cultural Uniqueness

Name: _____ Date: _____

1. What Makes Me Unique

Think about what makes your family or culture special. Draw or write about one thing that shows who you are or where you come from.

2. Sharing My Story

When you share your story, you help others learn about your family, your traditions, and your history. Write or draw one thing you want to share with your classmates.

3. Listening to Others

As you listen to your classmates' stories, think about what you have in common and what's different.

What did you notice that was similar to your story?

What was different or new that you learned?

4. Our Classroom Community

Every person's story is an important part of our classroom community. Write or draw something that shows how we can celebrate everyone's culture together.
