### Geography Exploration Map School & Draw Favorite Place

Name: \_\_\_\_\_

Today we will explore our school and learn how to make a simple map. You'll look around, draw what you see, and mark your favorite place.

#### 1. Exploring Our School

Walk around your school and look at where classrooms, offices, and playgrounds are. Write or draw something you noticed about how the school is organized.

---

---

#### 2. Drawing Our Map

Draw a simple map of your school or classroom.

Include:

- Include a compass with North, South, East and West
- Label important rooms or spaces
- Mark your favorite place with a ★ star

## 3. Thinking About Directions

- What direction is your classroom from the playground?
- What is next to your favorite place?

---

---

## 4. Reflection

What is your favorite place at school and why?

---
